

UPON REQUEST

WESTCHESTER'S NEW GUIDELINES TO REDUCE SINGLE-USE WASTE

To reduce waste, including plastic waste, Westchester now requires consumers to **ask for the single-use foodware items** they need. This includes when ordering in person, online or through a food delivery app.

Customers may request single-use foodware items or condiments individually

Reducing waste can help lower business and consumer costs and improve our environment

Businesses may not provide bundled single-use items or items by default

Plastic beverage stirrers or splash sticks are no longer permitted

No food service establishment will provide single-use foodware or condiment packets to any dine-in or take-away customer unless specifically requested. Items include forks, knives, spoons, chopsticks, cup sleeves, beverage lids and condiment packets or cups.

For more information, contact the Recycling HelpLine at (914) 813-5425.
